This is to certify that **Mr. Vinay Bhat** has successfully completed a **2 month** full time internship period in the Technology Department of Make A Difference from 21st May 2015 to 15th July 2015.

Vinay has been working under the supervision of Director (Technology) Mr. Binny V.A and Mr. Sanjay Thomas and has actively showcased his coding skills while coding for "Donut" which is India's first offline fundraising platform. Vinay has impressed us with his dedication and meticulousness.

Mr. Vinay is a hard worker and a highly skilled person and he has been a valuable asset to this organization during his internship tenure.

Currently MAD's multiple programs are working towards ensuring that children in shelter homes achieve better outcomes.
